

Layflat® Microfiber Traditional Fringe Dry/Dust Mop Pad with Velcro Back, 18 in., Gray/Blue

LFFD18

These dust mops feature hook-and-loop backing, for use with microfiber bases.

Features

- Cut-end microfiber with fringe picks up larger dust particles and trash; holds dust electrostatically
- Extra padding allows for complete surface contact; gathers more dust than cotton mops
- Coordinate with Microfiber bases
- Extra padding in the mop allows for complete surface contact
