

Safety Zone® Polyethylene HM, Sleeve, Flat Pack, 16" Length, White MPE-165-FP-HM

Polyethylene offers great protection from a wide range of chemicals, animal fats and potential exposure to grease.

Features

- Protective Sleeves from The Safety Zone offer a sealed layer of protection between gloves and other protective clothing
- Our sleeves are offered in a variety of materials including polyethylene, Dupont Tyvek, and a breathable microporous material that is more comfortable to wear over the course of a work shift
