

## Sweep Seal Replacement for Wet/Dry Lobby Dustpan T0019-01

### Features

- Cost-effective solution: Rather than replacing the entire dustpan, purchasing a sweep seal replacement is a cost-effective solution that helps to extend the effective life of your dustpan, saving you money in the long run.
- Compatible with your existing dustpan: A sweep seal replacement is designed to be compatible with your existing wet/dry lobby dustpan (T0017-00 or T0017-01)
- Improved cleaning performance: A sweep seal replacement for your wet/dry lobby dustpan helps to improve the cleaning performance of your dustpan, ensuring that it is more effective at containing fine debris and liquids.
